

## **Jobs Board**

Ideas of household jobs or homework to motivate children to earn some pocket money for their jam jar. If they are saving for something else, perhaps split the money between their piggy bank and jam jar. Cut out the jobs and pop each in a clear bag and place on a pin board. Insert a coin in each so they can see and retrieve their money straight away! It can be as little as 10p to 50p depending on the size of the job of course.
