

Do You Want to Build a Playground

(based on the theme song from Frozen "Do you wanna build a snowman")

Do you want to build a playground?
Come on let's raise some funds.
Its time for an adventure now,
So show me how
We can raise tonnes and tonnes
if we work together
it would be great
Let's make this special place!
Do you want to build a playground?
Come on lets build a playground!

Do you want build a playground?
Help us achieve our aim
Boats and slides and apple trees
And a balance beam
A massive climbing frame
It's so sad and empty
and never used
Let's give the place some life!
Do you want to build a playground?
Come on let's build a playground!
Help us try ...
