

X Marks the Spot Treasure Hunt Clues

For Children

Your parents have set you a treasure hunt challenge! We hear coins can be found dotted around Calverley's Old Bowling Green where the Adventure Grounds playground equipment will be.

Use the map and the clues below to help you find them. If you find any hidden treasure, take it home and pop them in your jam jar!

Ask your parents to take some photos to help spread the word that coins may be found here to raise money for Calverley Adventure Grounds.
